Re: Permit Area Expansion
Centennial Project
ACT/007/019
Carbon County, Utah

Pam
Dear Ms. Littig:

Enclosed are 5 copies of amended pages and maps requesting approval of an Permit Area Expansion for the Centennial Project Permit Area.

The expansion area is for the remaining Mathis Tract area (approximately 400.00 acres), Federal Summit Creek Lease (approximately 702.53 acres) and the State L.B.A. (approximately 80.00 acres), for a total of approximately 1182.53 acres, as described on the amended pages and plates. This expansion will allow for proper development and continuation of mining in the Centennial Project Area.

The proposed change is for underground mining only. Due to the deep cover (from 2,600' to 3,000'), the change will have no effect on soils, vegetation, wildlife, land use, air quality, engineering, geology, surface hydrology or bonding. A PHC has also been prepared indicating no expected adverse affects to the hydrologic regime.

Required C₁/C₂ Forms are enclosed. If you have any questions, or need additional information, please let me know.

Sincerely,

Michael W. Glasson
